

A brief history of Morocco

In 1666 the Alaouit Dynasty gained control of the country.

Afterwards, different dynasties ruled Morocco.

Morocco gained its independence in 1956.

Arabs came to Morocco in 682.

Nationalist feelings began to rise in 1930s.

The first people who lived in North Africa were the Phoenicians.

In the early 20th century, France and Spain colonized different parts of Morocco.

Idriss Ben Salih founded the Idrissid Dynasty in Fez.

Moroccan people didn't stop resistance for more than 20 years.
