

## **WRITING: Paragraph Vs Essay**

**Morocco's traffic accidents are still on the rise. They are caused by the irresponsible behavior of users, pedestrians and drivers, in addition to the quality of road infrastructure. Thousands of people die every year. Therefore, traffic accidents are a real socio-economic cataclysm. To counter this issue, Moroccan authorities are planning to reinforce traffic control with high-tech speed radars and a more vigilant traffic police.**

## **WRITING: Paragraph Vs Essay**

**Poverty is the condition where the basic needs of a family, like food, shelter, clothing, and education are not fulfilled. It can lead to other problems like poor literacy, unemployment, malnutrition, etc.**

**There are various causes of poverty such as lack of education, war, natural disaster, lack of employment, lack of infrastructure, political instability, etc. For instance, the lack of employment opportunities makes a person jobless. As a consequence, the person is not able to earn enough to fulfill the basic necessities of his/her family and becomes poor.**

**Poverty is a social evil. Everyone can contribute to control it simply by donating clothes and food, sponsoring the education of a poor children or using our free time to tutor poor students.**
