## My Gifted Friend

Amine, my best friend, is really a genius. When he first moved to our neighborhood, the other guys avoided him. But now everybody wants to keep company with him. What is his secret? He is a brainy boy! He can solve mathematical operations faster than a calculator, and he can memorize things better than any of his peers. He always gets the best grades at school, and he is highly acclaimed by teachers. What makes him even more popular is his being modest, sociable and reliable.

Although he is the shortest boy in our group, he is a gifted basketball player. Physically, he is thin, round-faced with brown eyes and short straight hair. He is usually dressed in casual clothes: slim jeans and vintage T-shirts. All those who know him, including classmates and teachers, believe Amine possesses the traits of a genius.
