**Last weekend**, I had the best time of my life. **On Friday night**, my best friend came over and we made a delicious pizza. **After** eating, we had a friendly video game competition. **Moments later**, my other best friend, Ali, joined us. **On Saturday**, we went to the beach. The weather was perfect and the water was warm. It was a great day to go for a swim. **Later in the evening**, we went to the movies. We saw an action-packed thriller and ate a lot of popcorn. **Later that night**, we spent some time playing cards. **On Sunday**, we went bike-riding around town. **By the end of the day**, all of us felt very tired. We had great moments. Thanks to this experience, I think that with simple plans, weekends can be very exciting and fun.
