Tom: I'm working on a project about education in Morocco and I need some resources. What should I do?

Nana: I think you should go to the school library.

Tom: I already checked some books there, but they didn't help.

Nana: Well, in this case you ought to use Internet. I'm pretty sure you can find a lot of information there.

Tom: You're right, Nana. I'd better use Internet. I hope I can find some videos too.
